**Example questions to ask your MP:**

1. Have you heard of the ostrich farm in BC where CFIA is planning to kill all the animals?
2. Universal Ostrich Farms sent a letter to all MPs across Canada on Friday, May 30, 2025—did you receive it? A copy of the letter can be found here: <https://saveourostriches.com/wp-content/uploads/2025/06/Letter-to-MPs-UOF.pdf>
3. Did you know that the USA, including RFK Jr. and Dr. Oz, are voicing support for the farm?
4. Are you aware that the CFIA can cull entire farms based solely on suspicion?
5. Did you know the CFIA follows WHO guidance and lacks full accountability to Canadians?
6. Canada has 538 farms listed with AI—239 in BC. Stamping out is failing. Even if only 1 or 2 birds are affected, entire flocks are culled.
